Dear Alysa:

It is with great honor that I accept the invitation to serve as an Advisory Board Member for Citizenship Counts. I am thrilled to join such an esteemed group of leaders in advancing the vital mission of educating, engaging, inspiring and challenging young people to be active citizens in their communities – a goal shared by my colleagues and I here at the National Youth Leadership Council.

In addition, Kari and I very much enjoyed learning more about the organization during your visit to St. Paul. We look forward to future collaborations with you and your colleagues in the advancement of active citizenship through service-learning and other forms of intentional curricular integration.

Again, a hardy thanks for this opportunity.

In Service,

James C. Kielsmeier
